

Kathee Fisk
Managed Services Lead Optimization Solutions, GE Transportation
Membership Chair, League of Railway Industry Women

Kathee Fisk is the GE Optimization Solutions (GEOS) Managed Services Lead. She joined GEOS' predecessor RMI in June 2007 as member of the Client Services team. She came to GEOS with 16 years of short line railroad experience.

Kathee began her railroad career with Ontario Midland Railroad in Sodus, NY in 1991 as General Agent. She moved on to Office Manager at Finger Lakes Railway in Geneva, NY in 1995.

Kathee is a member of the American Railway Development Association (ARDA). She is the former LRIW Southeastern Regional Director and currently serves at the Membership Director.
