

LEAGUE OF RAILWAY INDUSTRY WOMEN 2013 / 2014 SCHOLARSHIP RECIPIENTS

Joseph M. Culligan is the son of Larry Culligan from LRIW corporate member, TTX Company. He is attending the Georgia Institute of Technology and pursuing a degree in chemical and biomolecular engineering. He is expected to graduate in August 2014. He is an honors student and involved in numerous activities at Georgia Tech including student government, the American Institute of Chemical Engineers, and the Georgia Tech marching band. His educational objective is to develop engineering and problem-solving skills to enable a successful career developing solutions for future energy.

Benjamin Stephen Dobies is the son of Stephen Dobies from LRIW corporate member, A. Stucki Company. He is a sophomore at the University of Pittsburgh and is pursuing a degree in mechanical engineering. In addition to being an honors student, he is an accomplished athlete in several sports (competed in the 2013 Pittsburgh marathon) and has played the piano for nine years.

Mitchell James Olsem is the son of LRIW member Amy Homan of Iowa Northern Railway. He is attending DePaul University and pursuing a bachelor of science degree in computer science. He is expected to graduate in June 2015. He is proficient in Spanish and Japanese. His educational objective is to become an expert in his field and eventually teach at the college level.
