

Urszula Soucie, CEM
Chief Operating Officer
REMSA

As Chief Operating Officer, Urszula Soucie manages the day-to-day administration of the Railway Engineering-Maintenance Suppliers Association (REMSA) including membership communication, recruitment, and retention, the monthly newsletter, accounting, the annual directory, the scholarship program, and supporting the planning and execution of the Railway Interchange Conference.

Prior to joining REMSA, Ms. Soucie worked for a Wisconsin based consulting firm and was Research Assistant to several transportation studies. Ms. Soucie received her B.A. in Humanistic Studies from McGill University in Montréal, Québec, Canada.

Contact Urszula at soucie@remsa.org.
