

Elizabeth Sands

Scholarship Chair

Senior Consultant, Dynamic Pro Inc.

Elizabeth Sands is a Senior Consultant with Dynamic-Pro, Inc., I provide Project Controls Services to the Office of Design, Engineering and Construction at the Washington Metropolitan Area Transit Authority (WMATA). This role supports contracting officers, technical representatives and project managers to facilitate approvals and workflow for accurate and timely reimbursement in grant funded major capital programs. Prior to this position, I served for 5 years at the American Short Line and Regional Railroad Association (ASLRRA) supporting the financial, legal, and administrative functions standing up the grant-funded Short Line Safety Institute. I am delighted to have the opportunity to network with and support other women in the Rail industry, and am looking forward to meeting some future Rising Stars when reading Scholarship Applications.

Her volunteer activities centered on youth sports as she raised four kids (now grown) in Bethesda, MD. She enjoys visits with her kids, biking, hiking, and long conversations with her friends.
